

Montana Broadcasters Association Scholarship Application

The Montana Broadcasters Association currently funds a number of scholarships for students majoring in broadcasting, media, advertising, engineering, broadcast journalism and related fields. MBA Scholarships are available to students attending any accredited Montana state college or university, including colleges of technology, in the aforementioned disciplines. Some scholarships are attached to specific disciplines, i.e. Broadcast Journalism or Broadcast Engineering, while others are specific to particular schools or geographic regions, depending on the desires of the donors.

The deadline for receipt of all scholarship applications is February 1st of each year.
